

## Living with Cancer Strollers Celebrate International Friendship Day

The August Living with Cancer Strollers coincided with International Friendship Day. International Friendship Day is a United Nations day that promotes the role friendship plays in promoting peace in many cultures. The Stand up to Cancer support group spent the day celebrating the special friendships that offer support, love and laughter during some of life's most difficult moments.

The Living with Cancer Strollers celebrated the day with a gentle walk in the August heat around Cosmeston. There's plenty of friendship and laughter on these walks so if you want to join us, see you the first Thursday of September at 10:30am.
