

## Valeways Walk and Clear activities 2021

The COVID restrictions meant that activities did not resume until 27<sup>th</sup> April 2021.

Some of the highlights of the year were

25 high viz vests for the Walk and Clear Group donated by @MerchAsylum.

Donation of funds towards new tools for the group.

Waymarker training for members of the Group from the Vale of Glamorgan PROW team. This allows us to include waymarking in our activities.
